Description

Our CBD Massage Body Lotion with cannabis sativa hemp seed contains high amounts of omega 3 and rare gamma-linolenic acids which are known to help promote skin health, prevent the fine lines of aging and soothe dry and sensitive skin.

The combination of CBD 100mg added with Hemp Seed Oil makes our body oil incredible by moisturizing and toning by delivering a unique and potent blend of soothing herbal ingredients and extracts to help nourish, heal and rejuvenate your skin.

Instructions:

Warning: Avoid applying on cuts & open wounds. Wash hands after uses. Apply approximately a quarter size of cream onto areas with pain once or twice daily. Cooling and warming sensation may occur upon application. Be sure to wash hands after each application. Avoid face and SENSITIVE AREAS.
